An Evening with Maggie Anton, author of *Rashi's Daughters*

Tuesday, 7/6 from 7:00-8:30pm

Light dinner and discussion at home of Robert Hovden & Ron DeChene

Maggie Anton was raised in a secular, socialist household; she reached adulthood with little knowledge of her Jewish religion. Upon meeting her future husband, they both began a lifetime of Jewish education, synagogue involvement, and ritual observance. After studying in a woman's Talmud class, Maggie Anton became intrigued with the idea that Rashi, one of the greatest Jewish scholars ever, had no sons, only three daughters. Slowly but surely, she began to research the family and the time in which they lived. Much was written about Rashi, but almost nothing of the daughters, except their names and the names of their husbands. Legend has it that Rashi's daughters were learned in a time when women were traditionally forbidden to study the sacred texts. These forgotten women seemed ripe for rediscovery, and the idea of a book about them was born.

Event is held at private home. RSVP to reserve your spot and get address information.

No charge. RSVP to

So how should we stoke the fire of our enthusiasm? Start by reading the chapter in Everyday Holiness and join us for a discussion.

Judaism is a religion of commandments and actions, and its leaders and teachers have stressed the importance of enthusiasm, because the proper way to execute the divine will is with energy and alacrity (zerizut).
